

Fast, Thorough Background Reports

SureID for Financial Services

Trust is the bedrock of your business. As an industry leader, you hire and promote only the most trustworthy candidates, and you need the best partner in the business to help you do it.

With SureID, you can use FBI record checks for all employees, not just those who fall under FINRA compliance requirements. Our simple solutions make it easy for your candidates and employees to provide fingerprints and for you to receive results faster than ever.

The Support You Need, When You Need it

SureID provides the best support in the business. Our centrally-located Support team answers calls in under 15 seconds on average and handles almost all calls in under 5 minutes. They're available for both you and your candidates and employees, and even provide on-the-spot assistance during fingerprinting. You can reach them by phone, email, or chat any time one of our SureID locations is open for business.

Streamlined Background Checks

SureID partners with your background screening organization to help the HR team with hiring, onboarding, and retention of trustworthy employees. We manage

- Candidate information collection

The SureID[®] Advantage

As Easy to Use as Your Smart Phone.

SureID's biometric data collection system is simple, modern, and intuitive. The touch-screen interface works exactly how you'd expect, while our tamper-proof hardware platform keeps your sensitive data safe and secure. It's the simplest, most reliable solution available.

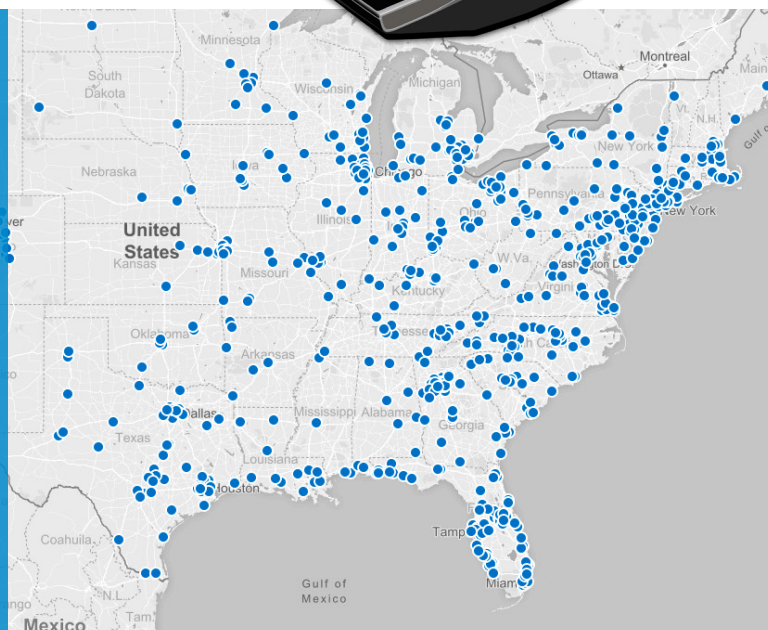

Close to Home

Over 80% of the US population is less than 30 minutes from a convenient SureID Registration Station.

In collaboration with The UPS Store[®], we offer a single-sourced network of nearly 1,000 biometric registration locations in all 50 states and Washington DC.
